*Jesus replied, "Love the Lord your God with all your heart, with all your soul, with all your mind," This is the first and greatest commandment. And the second is like it, "Love your neighbor as yourself." Matthew 22:37-39*

## What will make you useful to God.

You probably have many pots and bowls in your kitchen that you use for different types of cooking. There are many different ways those items were made but each has their purpose and is useful to us. God makes each one of us with gifts and abilities that we can use to serve Him by serving others, but the process of making us useful can be hard some-

times. A pot has to be in the fire to be made into the proper shape. God won't put us in a fire but we may go through a hard time where we learn more about God and how to trust Him. The important thing is to trust Him because God is not finished with any of us yet. He keeps making us what we ought to be.

## Clothing Donation

We are collecting clothes to help fund our upcoming mission trip to Liberia and Montana. You can help by bringing on Friday a bag of gently used clothing, accessories, home décor, or other household items (sheets, blankets, comforters, etc.) We will be collecting the items in the gym and you can drop them off before the final program on Friday night.

Do you have a bag of clothes at home that you want to get ride of? Bring it to GBFC on Friday Night. Details on the back.

# Projects for the Week

1. We are raising money for a chicken coop for the orphans and buying them some chickens to go in it. We will take another collection on Friday night.
2. We will be tie dying pillow cases for each of the 64 kids that Martha takes care of.
3. Quilt decoration for Martha's kids.
4. So far the kids have earned 19 chickens.
5. We are also writing letters to Martha's kids and sending over to them a scrapbook of our week at camp.

## You are invited...

Friday night is our ending celebration of a great week of Children Helping Other Camp. We invite you back to see what we have been up to all week long and see the projects that have been completed. You will get a chance to meet the people who run Compassion Corp, the organization we are supporting. And also to see an African drummer and dancer perform. Following the program we will have light refreshments in the gym with a few activities for you to do as a family. We look forward to you coming back and being a part of this special night. We start at 6:30 and should be done around 8 pm.

## In the Village Room

Last night in the Village Room the kids were able to sample an African dish called **Yassa**. Here is the recipe.

### Ingredients:

- 5 lbs chicken pieces, skinned and washed
- 1 1/4 cups of lemon juice
- 1/2 cup white wine vinegar
- 1/2 cup vegetable oil
- 3 onions, sliced
- 2 sprigs of thyme
- Red pepper to taste
- 2 cups water
- 4 bay leaves

Mix the lemon juice, vinegar, half the oil, onions and pour on the chicken pieces in a bowl. Marinate overnight, or longer. Remove the chicken and the onions from the marinade. Brown the chicken on both sides. Fry the onions in the remaining oil for a few minutes. Add the marinade, thyme, hot pepper, water and bay leaves. Simmer on medium heat for about 10 minutes. Return the chicken to the sauce and cook until done, about half an hour.

Tonight the kids tasted **Mango crisp**. Here is that recipe.

### Ingredients

- 3-4 green mangos
- 1/2 cup sugar
- 1/2 cup oats
- 1/8 tsp baking soda
- 1/2 tsp baking powder
- 1/2 cup nuts
- 1/2 tsp cinnamon
- 1 tbsp. flour
- 1/2 cup brown sugar
- 1/4 tsp salt
- 3 tbsp. butter

Grease 8x8 pan. Slice the mango. Mix cinnamon, sugar and flour and stir in the mangos. Place in dish. Mix oats, brown sugar, flour soda, salt and baking powder. Add 3 tbsp. softened butter and blend with a fork. Add nuts and spread over mangos. Bake at 350 for 40 minutes.
