

DID YOU KNOW...

- LIBERIA MEANS "LAND OF THE FREE"
- LIBERIA IS LITTLE BIGGER THAN THE STATE OF OHIO
- THE WEST AFRICAN MANATEE'S TEETH ARE ALWAYS BEING REPLACED DURING THEIR LIVES.

Wednesday Night

# CHOC

CHILDREN HELPING OTHERS  
CAMP 2013

## full of news

*Jesus replied, "Love the Lord your God with all your heart, with all your soul, with all your mind," This is the first and greatest commandment. And the second is like it, "Love your neighbor as yourself." Matthew 22:37-39*

## We need to be available

Have you ever heard the phrase, "Being at the right place at the right time?" We think of that phrase if we are at a ball game and can catch a foul ball. Or when we go to the store and we just happen to be their 1 millionth customer and they give us a ton of prizes. There are opportunities for us to serve every day if we are look for them. Did you ever think God could use you in the life of someone else so

that you would be there "at the right place and the right time" to help them out? Your act of service could be just what they needed and be as special to them as a foul ball or a ton of prizes. Who can you serve today? Who can you serve tomorrow? Are you looking for ways to help others. Are you available.

## In the Village Room

We have been teaching the kids this week two games that the kids in Africa play, Mancala and Marbles. There are instructions that they can take home with them and try them outside or inside with minimal set up.

610-876-8449 x214

Do you have a bag of clothes at home that you want to get ride of? Bring it to GBFC on Friday Night. Details on the back.

## In the Gym

Tonight in the gym the kids will use the containers from the first night in a relay race. The game will reinforce the idea of being available to what God wants you to do.

## In the Village Room

Tonight the children had the chance to taste an African dish made from Couscous and Beans.

## Projects for the Week

Compassion Corp works with a woman in Liberia named Martha who has taken orphan children into her home and cares for their needs, 64 of them to be exact. A lot of these kids lost their parents in the civil war that ended not long ago in that country. Find out more about Compassion Corp at their website, [www.compassion-corps.com](http://www.compassion-corps.com).

We are going to help support in a number of ways this week.

1. We are raising money for a chicken coop for the orphans and buying them some chickens to go in it.
2. We will be tie dying pillow cases for each of the 64 kids that Martha takes care of.
3. Quilt decoration for Martha's kids.
4. We are also writing letters to Martha's kids and sending over to them a scrapbook of our week at camp.

Have you encouraged your son or daughter to raise money for the chicken coop? Ask them if they have contributed to the other projects in the Village room.

## Another Way to Give

Friday night we will have a special clothing collection here at the church. We are collecting outgrown clothes in good condition and are asking you to bring them with you the closing night. The clothes will be given to a company who will pay us by the pound. The money we earn will help send two of our church family to Liberia where they will be able to meet the children we supported this week.

## Things to Come

On Thursday night the middle school group will have a chance to learn African dance with an actual African drummer and dancer.

Friday night we invite you back for our final night. We will have the African drummer and dancer who worked with the middle school perform. We will also see the highlights of our week of camp.
